Purpose

This terminology document standardizes the official Chinese and English terminology used throughout the Universe Crystal framework.

All Canonical Baselines, Research Reports, Research Programs, White Papers, academic papers, and other official publications shall adopt the official terminology specified in this document.

This document specifies official terminology only.

Concept definitions are maintained exclusively by the **Official Glossary of Universe Crystal**.

Core Concepts (核心概念)

中文	Official English
宇宙晶体	Universe Crystal
宇宙晶体整体观	Universe Crystal Grand View
理论框架	Framework
存在论	Ontology
认识论	Epistemology
整体晶体	Whole Crystal
宇宙整体	Whole Universe
整体性	Wholeness
第一性对象	First-Principle Object
第一性原理	First Principle

Organizational Concepts (组织概念)

中文	Official English
组织	Organization
组织结构	Organizational Structure
组织关系	Organizational Relationship
组织连续性	Organizational Continuity
组织层级	Organization Hierarchy
组织自由度	Degrees of Organization
组织读取	Organizational Reading
组织解释	Organizational Interpretation
组织解释原理	Organizational Interpretation Principle
组织相互作用	Organizational Interaction
组织几何	Organizational Geometry
组织涌现	Organizational Emergence

Texture Concepts (纹理概念)

中文	Official English
开放纹理	Open Texture
稳定闭合纹理	Stable Closed Texture
一级闭合纹理	First-Level Closed Texture
一级稳定闭合	First-Level Stable Closure
闭合	Closure
稳定闭合	Stable Closure
基本组织材质	Fundamental Organizational Texture
几何存在形式	Geometric Existence

Organization Levels (组织层级)

中文	Official English
一级组织	First-Level Organization
二级组织	Second-Level Organization
三级组织	Third-Level Organization
更高层组织	Higher-Level Organization

Space and Time (时空)

中文	Official English
空间	Space
时间	Time
空间自由度	Spatial Degrees of Freedom
宏观几何表现	Macroscopic Geometric Manifestation
全时空	All Space-Time

Physical Concepts (物理相关概念)

中文	Official English
粒子	Particle
点粒子	Point Particle
场	Field
能量	Energy
传播	Propagation
运动轨迹	Trajectory
相变	Phase Transition
稳定性	Stability
身份	Identity
身份原理	Identity Principle

中文 Official English

粒子身份 Particle Identity

Evolution and Dynamics (演化与动力学)

中文 Official English

晶体演化 Crystal Evolution

化学反应 Chemical Reaction

核反应 Nuclear Reaction

化学键 Chemical Bond

Observation and Interpretation (观察与解释)

中文 Official English

测量 Measurement

观察者 Observer

意识 Consciousness

经典世界 Classical World

宏观世界 Macroscopic World

解释 Interpretation

Canonical Expressions (规范表达)

The following expressions are recommended for consistent use throughout all official publications.

中文 Official English

历史不可删除 History Cannot Be Erased

身份来自稳定闭合 Identity Comes from Stable Closure

解释来自组织关系 Interpretation Comes from Organizational Relations

不存在传播了一半 There Is No Halfway Propagation

宇宙首先是一个整体 The Universe Is First and Foremost a Whole

空间不是第一性对象 Space Is Not a First-Principle Object

时间不是第一性对象 Time Is Not a First-Principle Object

Version Status

Universe Crystal Official Terminology V2.0 is hereby frozen.

This terminology document serves as the unique official Chinese–English terminology standard for the Universe Crystal framework.

All official publications shall adopt the terminology specified in this document.

Concept definitions are maintained exclusively by the **Official Glossary of Universe Crystal**.

Future updates to concept definitions shall be reflected in the **Official Glossary**, while terminology changes shall be made only when new official concepts are introduced.
